

A photograph showing a clear plastic bottle lying on its side amidst a dense layer of organic debris. The debris consists of fallen leaves, twigs, and small plants, all covered in a dark, wet substance, likely water or oil. The bottle has some red markings and a small label with text and numbers. The overall scene conveys a sense of environmental pollution.

StoLit

Fakten

- 4.500 Tonnen Müll/Jahr an öffentlichen Plätzen & in der Natur
 - 1000 Tonnen Abfall bei Flurreinigungen
 - 2,9 Milliarden Zigarettenstummel = ca. 500 Tonnen/Jahr
